

Contractors and Architects with Historic Preservation Experience

The following is a list of identified contractors and architects with experience in historic preservation projects. NBN has not undertaken any assessment of the capabilities or credentials of these professionals, and inclusion on this list does not imply endorsement by NBN. We recommend you perform due diligence in researching any contractors and architects you choose to employ. Please note, costs incurred prior to grant award, including project architecture, engineering, and cost estimates cannot be reimbursed with grant funds. Please ensure you review all materials prepared by professionals prior to submission.
